Dear Madam,

Following the study trip organized by the College of Europe, Natolin Campus in Turkey I allow myself to address you this letter together with my sincere acknowledgement for your contribution to our 2009 academic programme.

The conference that you chaired let the students acquire a deep knowledge about civil society in Turkey, citizenship and women in social and political life.

We sincerely hope to pursue and enforce the cooperation we have established with you and the institution you belong to in the future.

Thank you once again indeed for your participation and support.

Yours sincerely,

Professor Erwan Lannon
